

TERMS AND CONDITIONS AND PRIVACY POLICY

Effective: 07 July 2021

This website <https://saavy-study.com> is intended to identify potential participants for a research study (the SAAVY Study) whose aim is to find out how common it is for people with Hemophilia A to have existing antibodies against adeno-associated virus (AAV) and what it could mean for the development of future treatments. This website is hosted by Merge, LLC ("MERGE"), a third-party vendor under contract to the sponsor of the study (see below) and is not a sponsor of the study. "Us" or "We" means MERGE. "User" or "You" means those individuals who access the website. The sponsor of the SAAVY Study and this website is BioMarin Pharmaceutical Inc., a pharmaceutical company with its registered address at 105 Digital Drive, Novato, CA 94949, USA.

Users of this website are provided criteria to consider as part of a self-assessment to determine if they may be eligible to participate in the SAAVY Study. Users who believe they may be eligible can submit their contact information via a website form that is hosted by the study sponsor, and may be offered the opportunity to pre-screen for the study via a downloadable study application (app). Based on the User's medical history, testing and other information, a study clinic will make the final determination whether or not the User is qualified and approved to participate in the study. Meeting the requirements of the self-assessment, by itself, does NOT mean that a User is qualified and approved to participate in the study.

This website is provided for informational purposes only. Your use of the website does NOT create any legal relationship, whether by contract or otherwise, between Us or a study clinic and You, or the sponsor and You or another User. Your use of the website and download of the application with questionnaire is voluntary and without obligation.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WE MAKE NO WARRANTIES REGARDING THE WEBSITE, THE ACCURACY AND COMPLETENESS OF THE INFORMATION CONTAINED THEREIN, AND ANY SERVICES PROVIDED. THEREFORE, THE WEBSITE, THE INFORMATION CONTAINED THEREIN AND ANY SERVICES ARE PROVIDED AND ACCEPTED BY USER "AS IS," WITHOUT ANY WARRANTY WHATSOEVER. ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, ARE SPECIFICALLY EXCLUDED AND DISCLAIMED. WE DO NOT WARRANT THAT THE WEBSITE, INFORMATION CONTAINED THEREIN, OR ANY SERVICES WILL MEET USER'S REQUIREMENTS, WILL OPERATE WITHOUT INTERRUPTION, WILL BE ERROR-FREE, COMPLETELY SECURE, OR THAT ANY FAILURES WILL BE DETECTED AND CORRECTED. WE SPECIFICALLY DISCLAIM AND DENY ANY RESPONSIBILITY FOR THE COMPLETENESS, ACCURACY OR QUALITY OF THE WEBSITE, INFORMATION CONTAINED THEREIN OR ANY SERVICES PROVIDED.

We exercise no control over, and accept no responsibility for, any third-party associated with the website, the information contained therein or any services provided, including but not limited to the form and downloadable study application, which are outside MERGE'S management and control.

MERGE shall not be liable to User, or any third parties, for any consequential, indirect, punitive, special, exemplary, or incidental damages or expenses, or damages or expenses of any kind

arising from loss of anticipated profits, business interruption, loss of use, loss of revenue, corruption of data, loss of goodwill, cost of capital, loss or damage to property or equipment, and loss of reputation or any and all other similar damages or loss whether in contract, tort, product liability (including negligence or strict liability), or otherwise in connection with or arising out of the use of the website, the information contained therein and any services provided even if We are advised of the possibility of the occurrence of such damages or expenses.

The website may contain links to third parties, such as the study sponsor. We do not manage or control these third-party websites. If you provide personal information to these linked websites, this personal information is governed by their privacy policies and/or applicable law. We are not responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with Your use or reliance on any content, advertising, products, services or other materials on or available from these linked sites.

To ensure the smooth operation of the website and ensure its effectiveness, We collect certain limited analytics information which does not include any personal or identifying information about Users, such as IP addresses, referring URL (if any), city-level location, browser and operating system and use analytics services such as Google Analytics, which We will only use in accordance with applicable laws and regulations. No cookies, web beacons or other web-tracking technologies are used on the website. In addition, the website does not otherwise track Users who have selected the browser-based "Do-Not-Track" signals.

We do not knowingly collect or solicit personally identifiable information from Users, including children under thirteen (13) years of age.
